Notes: In the 2020–2021 school year, the enrollment projections display only reassignments for students in Grades 9 and 10 to other high schools. Grade 11 and 12 students would be grandfathered at their current school assignment. For the 2021–2022 school year, the data displays Grades 9–11 reassignments with Grade 12 students grandfathered at their current school assignment.

The superintendent will make a recommendation regarding special programs for current high school students as part of his recommendation in October 2019.

Notes: In the 2020–2021 school year, the enrollment projections display only reassignments for students in Grades 9 and 10 to other high schools. Grade 11 and 12 students would be grandfathered at their current school assignment. For the 2021–2022 school year, the data displays Grades 9–11 reassignments with Grade 12 students grandfathered at their current school assignment.

The superintendent will make a recommendation regarding special programs for current high school students as part of his recommendation in October 2019.

Option 11

*MS that currently has an articulation to a HS outside of this boundary study

Option #11a

Clarksburg, Northwest, and Seneca Valley Clusters Boundary Study

April 2019

Proposed HS Reassignments

Reassign the Cabin Branch Development and area south of West Old Baltimore Road and west of I-270 from Clarksburg ES and William B. Gibb ES (Except the area south of West Old Baltimore Rd, west of Route 355, north of Little Seneca Creek, and east of I-270) from Clarksburg HS to Seneca Valley HS

Reassign Clopper Mill ES and Spark M. Matsunaga ES Islands from Northwest HS to Seneca Valley HS

Reassign Germantown ES from Northwest HS to Seneca Valley HS

Proposed MS Reassignments

Reassign James E. Daly ES and Fox Chapel ES from Neelsville MS to Rocky Hills MS

Reassign the Cabin Branch Development area south of West Old Baltimore Road and west of I-270 from Clarksburg ES and William B. Gibb ES (Except the area south of West Old Baltimore Rd, west of Route 355, north of Little Seneca Creek, and east of I-270) from Rocky Hill MS to Neelsville MS

Reassign Portion of Great Seneca Creek ES from Clemente MS to Kingsview MS

Reassign Spark M. Matsunaga ES Island from Kingsview MS to Martin Luther King, Jr. MS

Proposed Articulation Changes

Neelsville MS will articulate to Seneca Valley HS

Creates split articulation for Clarksburg ES, Clopper Mill ES, William B. Gibbs ES, and Spark M. Matsunaga ES

Provides straight articulation for Great Seneca Creek ES to Kingsview MS

Notes: In the 2020–2021 school year, the enrollment projections display only reassignments for students in Grades 9 and 10 to other high schools. Grade 11 and 12 students would be grandfathered at their current school assignment. For the 2021–2022 school year, the data displays Grades 9–11 reassignments with Grade 12 students grandfathered at their current school assignment.

The superintendent will make a recommendation regarding special programs for current high school students as part of his recommendation in October 2019.

Option 11A

*MS that currently has an articulation to a HS outside of this boundary study

Option #12 (Variation on Option 1) Clarksburg, Northwest, and Seneca Valley Clusters Boundary Study

April 2019

Proposed High School Reassignments

Reassign Capt. James E. Daly ES and Fox Chapel ES from Clarksburg HS to Seneca Valley HS

Reassign Germantown ES from Northwest ES to Seneca Valley HS

Reassign Clopper Mill ES and Spark M. Matsunaga ES Islands from Northwest HS to Seneca Valley HS

Proposed Middle School Reassignments

Reassign Spark M. Matsunaga ES Island from Kingsview MS to Martin Luther King, Jr. MS

Reassign portion of Great Seneca Creek ES from Clemente MS to Kingsview MS

Proposed Articulation Changes

Neelsville MS will articulate to Seneca Valley HS

Creates split articulation for Spark. M. Matsunaga ES

Provides straight articulation for Great Seneca Creek ES to Kingsview MS
