## SCHOOLS

### Winston Churchill High School

**Capital Project:** Previous projections indicated that enrollment would exceed capacity by 200 seats or more, therefore, an FY 2017 appropriation was approved for facility planning to determine the feasibility, scope, and cost for a capacity study. However, projections now indicate enrollment at Winston Churchill High School will only exceed capacity by less than 50 seats by the end of the six-year planning period. The enrollment will continue to be monitored and, if needed, an addition will be considered in a future CIP. Relocatable classrooms will be utilized until additional capacity can be added.

### Potomac Elementary School

**Capital Project:** A revitalization/expansion project is scheduled for this school with a completion date of January 2020. An FY 2018 appropriation was approved to begin the construction for the project.
