Notes: All Hispanic students, regardless of their race, are included under Hispanic enrollment.

Due to federal and state guidelines demographic characteristics of schools of less than or equal to 5.0% are not reported in the data tables of Chapter Four.

Beginning in the 2010–2011 school year, changes in the reporting of race/ethnicity were made. These changes are reflected in the table, where "Two of more races" and "Native Hawaiian/Pacific Islander" are new categories and "American Indian/Alaskan Native" is an expanded category.

Notes: All Hispanic students, regardless of their race, are included under Hispanic enrollment.

Beginning in the 2010–2011 school year, changes in the reporting of race/ethnicity were made. These changes are reflected in the table, where "Two of more races" and "Native Hawaiian/Pacific Islander" are new categories and "American Indian/Alaskan Native" is an expanded category.
