## SCHOOLS

### Damascus High School

**Capital Project:** A major capital project was approved to address various building systems and programmatic needs for this school. Although in the FY 2021–2026 CIP the Board of Education requested expenditures in FY 2022 to continue the planning and design of this major capital project with a completion date of September 2025, the County Council delayed the expenditures by one year. Based on County Council action, the scheduled completion date for this project is September 2026. In order for this project to be completed on this schedule, county and state funding must be provided at the levels approved in this CIP.
