

SPECIAL EDUCATION CENTERS

SPECIAL EDUCATION CENTERS

Longview School

Longview School provides services to students aged 5–21 with severe to profound intellectual disabilities and multiple disabilities. Alternate Academic Learning Outcomes (ALOs) aligned with the curriculum are utilized to provide students with skills in the areas of communication, mobility, self-help, functional academics, and transition services. Longview School is collocated with Spark Matsunaga Elementary School in the Northwest Cluster.

John L. Gildner Regional Institute for Children and Adolescents (RICA)

The John L. Gildner Regional Institute for Children and Adolescents (RICA), in collaboration with the Maryland State Department of Health, provides appropriate educational and treatment services to students and their families through highly structured intensive special education services with therapy integrated in a day and residential treatment facility. An interdisciplinary treatment team, comprised of school, clinical, residential, and related service providers, develops the student's total educational plan and monitors progress. Consulting psychiatrists, a full time pediatrician, and a school community health nurse also are on staff.

RICA offers fully accredited special education services that emphasize rigorous academic and vocational/occupational opportunities; day and residential treatment; and individual, group, and family therapy. The RICA program promotes acquisition of grade and age appropriate social and emotional skills and allows students to access the general education curriculum.

Rock Terrace School

Rock Terrace School is comprised of a middle, high, and upper school program. The instructional focus of the middle school is the implementation of ALOs aligned with the curriculum to prepare the students for transition to the high school program. The high school program emphasizes the ALOs aligned with the curriculum and community-based instruction activities that enable students to demonstrate skills that lead to full participation in school-to-work and vocational/community experiences. Authentic jobs help in reinforcing classroom learning. The upper school prepares students for post-secondary experiences and career readiness. Rock Terrace School is collocated with Tilden Middle School. While the Rock Terrace School model remains the same, the collocation offers shared spaces for students enrolled at the two schools.

Carl Sandburg Learning Center

Carl Sandburg Learning Center is a special education school that serves students with multiple disabilities in kindergarten through Grade 5, including intellectual disabilities, Autism Spectrum Disorders, language disabilities, and emotional or other learning disabilities. Services are designed for elementary students who need a highly structured setting, small student-to-teacher ratio, and access to the MCPS curriculum or ALOs aligned with the curriculum. Modification of curriculum materials and instructional strategies based on students' needs is the basis of all instruction. Emphasis is placed on the development of language and academic and social skills provided through an in-class transdisciplinary model of service delivery in which all staff members implement the recommendations of related service providers. Special emphasis is placed on meeting the sensory and motor needs of students in their classroom setting. To address behavioral goals, services may include a behavior management system. Carl Sandburg Learning Center is collocated with Maryvale Elementary School. While the Carl Sandburg Learning Center model remains the same, the collocation offers shared space for students enrolled at the two schools.

Stephen Knolls School

The Stephen Knolls School services students aged 5–21 with severe to profound intellectual disabilities and multiple disabilities. ALOs aligned with the curriculum are utilized to provide students with skills in the areas of communication, mobility, self-help, functional academics, and transition.

*Percent of students approved for Free and Reduced-priced Meals Program (FARMS) during the 2021-2022 school year.

**Percent of English for Speakers of Other Languages (ESOL) during the 2021-2022 school year. High School students are served in regional ESOL centers.

***Mobility Rate is the number of entries plus withdrawals during the 2020-2021 school year compared to total enrollment.

Notes: Native Hawaiian/Pacific Islander and American Indian/Alaskan Native categories total less than 1% and were therefore excluded from the table.

Due to federal and state guidelines, demographic characteristics of schools of less than or equal to 5 students per category are reported as 0%.
