*The proposed capacity at Kennedy HS does not include a proposed School-based Wellness Center (SBWC). IF the SBWC was funded by the Department of Health and Human Services, the capacity would decrease by approximately by 100 students.

*Blue indicates the project has funding approved in the Amendments to the FY 2017-2022 CIP.

*Red indicates proposed additional capacity at the school.

Note: The earliest Woodward HS could open is August 2022, after Tilden MS moves to its new location on Tilden Lane in August 2020. The earliest the additions could open is August 2022. Funding would need to be approved with planning funds in FY 2019 as part of the FY 2019-2024 CIP for all of these projects to open in August 2022.
